Manufacturing Base	Alucopanel Middle East L.L.C Plot TP010105B, National Industries Park PO Box 18022, Dubai, United Arab Emirates Industrial License No. 671172 Commercial Registration No. 118768

Warranty Coverage is subject to the following terms and conditions:

1. The duration of this Warranty (the "Warranty Period") shall be for twenty (20) years from the start date at Substantial Completion of the Project.
2. Alucopanel warrants that during the Warranty Period, the Finish will not peel, or crack(except for slight crazing or cracking as may occur on normal roll-forming or brake bending and which is accepted as standard, or when cracking or crazing is the result of metal fracture).
3. Alucopanel warrants that during the Warranty Period, the Finish will not chalk in excess of a numerical rating eight (8), as measured.
4. Alucopanel warrants that during the Warranty Period, the Finish will not fade or change color in excess of five (5) E units (Hunter Color Difference) as measured, comparing an unexposed retain panel to the exposed panel after removal of dirt and chalk.
5. For Material that has been purchased from Alucopanel as "finish good on both sides"; this Warranty is only valid for the visible side of the Material, provided that, the Alucopanel Batch Number for the Material has been indicated on the non-visible side.

6. It is acknowledged that fading or color changes may not be uniform if the surfaces are not equally exposed to the sun and elements. Alucopanel recommends that there be a systematic fresh water rinse maintenance program in effect in areas of high salt concentration (such as adjacent to the seashore and/or in industrial atmospheres) so as to prevent the accumulation of concentrated salt deposits.
7. Alucopanel warrants that during the 20-year Product Warranty Period, the Finish will not de-laminate nor fail the Lamination Strength (Bond Strength) below 10Kgf(Kilogram force) with the proper handling and storing by the client.
8. This Warranty will not apply to damage to and/or failure of the Finish caused by: moisture or other contamination detrimental to the Finish because of improper packaging, storage, or handling of the Material prior to installation; improper handling, shipping, processing (such as fabrication at temperatures below 60°F(15.5°C)), and/or installation of the Material; scratching or abrading of the Finish during or after installation; standing or ponding water; improper cleaning of the Material; corrosion of the Material; or, acts of God, falling objects, explosions, fire or other such similar or dissimilar occurrences beyond Alucopanel control.
9. Alucopanel' exclusive liability and the Customer's sole remedy under this Warranty, or otherwise, shall be limited to, at Alucopanel option, the refinishing, or replacing, or reimbursement of the cost of refinishing or replacing the Material exhibiting a defective Finish. All cost of labor to remove and replace panels claimed to be coated with defective Products are to be borne by Customer. Customer agrees, as a condition of this warranty, to return non-conforming Product to Alucopanel Factory, at the express written request of Alucopanel. An Alucopanel approved contractor using standard finishing practices and materials as selected and/or approved by Alucopanel shall perform refinishing. Alucopanel reserves the right to approve any contract for such refinishing or replacing; such approval not to be unreasonably delayed or withheld.
10. Alucopanel reserves the right to discontinue or modify its product lines and Finish colors. If the original Finish is no longer available, Alucopanel will, at its option, either substitute a Finish of comparable quality or refund the purchase price of the defective Finish only. The Warranty Period on a refinished or replaced finished Material shall be only for the remainder of the Warranty Period applicable to the Material originally finished.
11. In no event shall Alucopanel be liable under any theory of recovery, whether based on negligence of any kind, strict liability or tort, for any direct, indirect, special, punitive, incidental or consequential damages in any way arising out of the purchase of a Finish or from any possession or use made of a Finish.
12. All claims relating to the quality, condition or performance of the Finish shall be denied unless the Customer acknowledges the claim in writing to Alucopanel within the applicable Warranty Period, and within thirty (30) days after the Customer is informed or becomes aware of a defect in or of the Finish; and Alucopanel must be given a reasonable and prompt opportunity to inspect said defect.
13. ALUCOPANEL MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE, WITH RESPECT TO ANY OF THE FINISHES.
14. Acceptance of this Warranty grants Alucopanel the right to secure photography of the Property for advertising, public relations, and related industry promotional collateral. Rights to said photography are unrestricted and may be transferable.
15. No terms or conditions other than those stated herein, and no agreement or understanding, oral or written, in any way purporting to modify this Warranty shall be binding upon a party unless made in writing, expressly refers to this Warranty and is signed by that party's authorized representative. This Warranty supersedes and cancels any prior representations, warranties and agreements relating to the subject matters of this warranty.

For,

ALUCOPANEL MIDDLE EAST L.L.C.
